Memorandum

TO : Colonel White

DATE: 26 August 1966

FROM : Abbot Smith

SUBJECT: Attached Memorandum

I do not know how you are getting along in your consideration of the problem of revealing Agency affiliation of authors. But here is a piece of contributory data.

25X1 informs me, in addition to what he has put down here, that he thinks the Security people have cleared his manuscript with respect to security. He also says that the editor of the series in which this book is supposed to appear knows of his employment in CIA.
